WOMAN'S CLUB SEES COLORED SLIDES

Mrs. Alphonse Raymond, program chairman of the evening, introduced Mrs. Marguerite Johnson of Fairhaven, guest speaker at the regular meeting of the Rochester Woman's Club held at the club house on Marion Road. Mrs. Johnson's fascinating subject was an illustrated travelogue about interesting places in Europe. Included in the colored slides she showed were pictures of famous landmarks in England, France, Germany, Switzerland and Italy.

During the business part of the meeting, presided over by the president, Mrs. Clarence C. Perry, it was reported several interesting activities had been held this summer. Attendance numbered over 100 at each of the following events: the annual giant scholarship whist, the smorgasbord supper and the annual bric-a-brac auction. A delightful covered dish supper

ART CENTER OFFERS CLASSES

The Marion Art Center studio will again offer classes and instruction in art beginning Tuesday, October 3rd. Registration for the watercolor, oil and woodcut class will be at 9:00 A.M. and will meet every Tuesday until just before Christmas. On Wednesday, October 4th, at 7:30 P.M., a class in drawing, woodcut, lino cut and silk screen will be offered. The studio has acquired two new teachers. Mrs. Robert (Sarah) Brown will teach the morning class. Mrs. Brown received her A.B. in art from DePauw University and later studied in Fontainebleau, France. She has done some fashion illustration and recently sold many paintings to a young decorator, some through the Cecil Clark Davis Gallery where they may be seen in the rental department. Ellen Marie Francis will instruct the evening class. She studied at Swain School under Zabarski and also at the University of Nevada where she helped with the founding of the "April 5th" Gallery in Virginia City, Nevada. She has won prizes in regional and statewide shows

BENEFITS FOR VETERANS IN COLLEGE

Rhode Island and Southeastern Massachusetts veterans who have been accepted for college this fall should apply immediately to the Veterans Administration Contact Division, Federal Building, Kennedy Plaza, Providence, to make arrangements for benefits available to them under the G. I. Bill.

The VA pointed out that veterans with more than 180 days continuous military service, with any part of that time after January 31, 1955, are eligible for monthly allowances of $130 or more.

Application forms should be obtained from and returned to the Providence VA office along with a copy of the veteran's separation document, DD Form 214.

The VA office will then issue the qualified veteran a certificate of eligibility which he should submit to the school when he enrolls.

While the VA has to wait until the college involved certifies that the veteran has enrolled before it can start sending VA allow-

ance checks, VA has simplified the form the college must use, and students should receive checks shortly after the end of each month.

However, VA said, it would be wise for students to be prepared to pay their own expenses for a short period of time to be sure they are not caught short of funds before legal requirements are met and VA can start the flow of checks. Once allowance checks start, they may be expected to continue without interruption for the enrollment period certified by the school.

But a different procedure applies to a course which does not lead to a standard college course. The VA will make payments each month as soon as possible after the school and the student notify the VA that the applicant has been attending classes.

BALANCE AS HUGE AS THE VAULT OF HEAVEN, WITH ONE SCALE PAN CALLED "DARK", AND THE OTHER "LIGHT," WILL BE USED, ACCORDING TO PERSIAN MYTHOLOGY, TO WEIGH THE GOOD AND EVIL DONE BY EACH PERSON ON JUDGEMENT DAY!

GREAT BALANCING FEAT WAS THE ONE PERFORMED IN 1956, BY THE GERMAN TIGHT-ROPE WALKER RICHARD SCHNEIDER, WHO SPENT 174 HOURS ON THE HIGHWIRE TO SET A NEW WORLD'S ENDURANCE RECORD!

MERICA'S BALANCE OF PAYMENTS-- A TOPIC OF MUCH RECENT DISCUSSION--CAN BE MADE MORE FAVORABLE IF AMERICANS SPEND AS MUCH OF THEIR MONEY AS POSSIBLE IN THIS COUNTRY. SHIPPERS WHO INSURE THEIR OCEAN-GOING CARGO WITH MARINE OFFICE OF AMERICA, THE NATION'S LARGEST INSURER OF MARINE RISKS, ARE DOING THEIR PART TO STEM THE FLOW OF GOLD FROM U.S. COFFERS!

T

The amended Viet Nam G.I. Bill authorized full benefit payments "to educationally disadvantaged veterans" so they can complete high school or take certain required refresher courses without losing any VA eligibility for post-high school training.

Veterans applying for allowances for dependents should furnish the VA a certified copy of their marriage license and birth certificates.

Veterans are urged to contact the Veterans Administration Contact Division, from 8 A.M. until 4:30 P.M., Monday through Friday, if they need additional information about the education program. The telephone number for this office is 528-4431. The mailing address is Veterans Administration Regional Office, Federal Building, Kennedy Plaza, Providence, 02903.

For further information contact the service officer of the Legion Post in your town.

How to make sure you get every drop of heating oil you pay for

NOW SHELL Heating Oil is metered into your storage tank as electricity is metered into your home.

Our trucks are equipped with highly accurate meters that measure the exact amount of oil we deliver to your tank.

The meter prints the amount of oil delivered on a receipt. You get the printed receipt as a permanent record for your files.

Metered deliveries are one of the many advantages we offer our heating oil customers. For complete details, call us today.
